Sub: Revamping the cooperatives by extending handholding support to 75 numbers of potentially viable PACS by the Institute –Reg.

Sir

We feel pleasure to bring to your kind notice that Madhusudhan Institute of Cooperative Management, Bhubaneswar is one of the nineteen training institute under the aegis of National Council for Cooperative Training (NCCT) promoted by Ministry of Cooperation, Govt of India. The Institute caters to the training requirement of the various sectors of Cooperatives in the state of Odisha since 1955-56 by conducting training programmes in various functional areas of Cooperative Management with the objective of development of human resources in cooperative sector of the state of Odisha.

The ministry of Cooperation has been provided with a mandate to formulate a separate administrative, legal and policy framework for strengthening the cooperative movement in the country with an objective to transform it into a true people-based movement reaching up to the grassroots and develop a cooperative based economy model to realize the vision of "from Cooperation to Prosperity". To realise the mandate, Ministry of Cooperation has been working in close coordination with all stakeholders including the state governments/UT administration, various ministries of central governments, institutions of central and state governments, federations of cooperatives etc. Under its policy the ministry has focused on extensive training for personnel of cooperative departments and cooperative institutions including its members, office bearers and non-officials.

Under the above circumstances, MICM Bhubaneswar has been directed to identify 75 numbers of potentially viable PACS from the state of Odisha and for extending handholding support for augmenting their economic activities to transform them into viable and vibrant economic entities. In this connection the institute has planned to organise a 3
